

## CARE ORCHESTRA Spiritual WAVE "Titanium Edition"

"Because a thing of beauty is a thing forever" – John Keats

CARE ORCHESTRA SRL, the Italian High-end audio brand, launches the first of 3 products presented in preview at Monaco High End 2014.

The Wave "Titanium Edition" extends the Spiritual line with a new product that introduces for the first time on the market the new titanium transducer and the "Multicurve" system.

This system, using a special crossover allows the choice, between 3 setup to adjust the frequency response of the transducer in accordance with the tastes and sensibilities of the listener:

- **Pure:** a neutral setup to listen all the voices and instruments in a transparent way.
- **Light:** to enhance the airiness and more high frequencies. Designed for those who prefer a more open sound.

- **Deep:** to give greater depth and detail on the first octaves. This configuration provides record-breaking basses for the category of 4 liters speakers.

The Spiritual line, as always, made with innovative, sinuous and elegant design solutions, is characterized with central components, bass reflex tuned, in an apparent symmetry that reproduces spectacular theater scene in your living room. This line is designed to get a perfect scenic location even in small rooms, in bookshelves and near the walls.

The Spiritual Wave is designed as a bookshelf: small but with a deep, linear and precise sound for a relaxed and frequent listen, pure and amazing.

As always, a product all Handmade in Italy, with precise, functional and very stylish assembly, as well as an extraordinary solidity due to a fully one piece body, so as for each Care Orchestra, the technique is integrated with the elegance and style "Made in Italy" to create products that combine maximum performance of sound reproduction with a taste for the interior design.

The "Sartoria Acustica Italiana" offers even in this case the absolute personalization of finishes for every buyer with laquering and skins of all kinds: each product is completely configured by whom orders it, heard, and packaged as a tailored suit, starting from an established and strong project of superb acoustic results.
